Call for Presenters:

Seeking Presentations for Zoom Webinars

The Shaker Arts Council (SHAC) invites local community members to submit proposals for arts-related lectures/webinars that will be offered during the Winter and Spring. The dates of the sessions are January 17 – March 20 and March 21 – May 30, 2021. These events will be presented via Shaker Arts Council’s Zoom account as a part of *Stay-in-Place Productions*. Webinars will be free and open to the public. SHAC will not be able to compensate presenters; however, we hope that this opportunity to share your expertise will help give you exposure and promote your business.

Webinars will be scheduled for one-hour slots. The format will begin with presentations and will be followed with a question and answer period.

Examples of topics include:

- A cooking demonstration
- How to write contracts between artists and patrons
- Managing stress with the arts
- Navigating your arts career
